Find your purpose, gain real-world experience and develop lasting mentor relationships!

As an Avangrid intern, you will be part of our team by supporting the company's strategic direction while tackling current industry challenges. During this internship, you'll have the opportunity to work alongside mentors and professionals who rank among the best in their fields. This program is a key pipeline for full-time opportunity and development programs at Avangrid.

The Opportunity Includes: A dynamic 10-week internship program

- Apply college learning and implement innovative solutions to real-world challenges
- Undertake cross-functional activities to broaden your knowledge of AVANGRID and its companies
- Collaborate in project-based assignments, challenging professional work experience
- Interaction, networking and exposure to various levels of leadership and management
- Amazing mentorship opportunities
- Hourly pay range \$18-\$32

Top summer interns may be eligible to receive full time offers to join the team or our Rotational Graduate Program or full time engineer roles following the successful completion of their degree.

Requirements:

- Sophomore or Junior pursuing a Bachelor's or first year Master's or has at least one more semester remaining to graduate
- Preferred concentrations in the field of engineering degree; suggested majors include civil, industrial, mechanical or related undergraduate or graduate degree
- Have a high affinity for building well-engineered solutions to complex problems pertaining to clean, renewable and sustainable energy
- Preferred GPA 3.2

Legally authorized to work in the United States without the requirement for future sponsorship

Disclaimer

AVANGRID is committed to a diverse and inclusive workplace. AVANGRID is an equal opportunity employer and does not discriminate on the basis of an individual's sex, gender, gender identification, gender expression, race, color, religion, national origin, age, ancestry, genetic information, medical condition, physical or mental disability, marital status, sexual orientation, military or veteran status, or other characteristics or conditions protected by law.
